Dear Mr. Wright:

STATINTL

Heretofore you promised to give me written certification of the amount of liability coverage carried by your insured, [Redacted]

STATINTL

In view of that promise and in view of your letter of June 26, 1972 to [Redacted] noting an exception in your policy if [Redacted] was in the course of his employment at the time of the accident, it would greatly benefit me to have written certification and it would also benefit me to be able to examine the exception clause in the policy. Therefore, I would appreciate your making the policy available to me since it is important in my decisions in this case.

Most sincerely,

[Redacted]
